## **DADS' COMMITTEE**

In the spirit of parental participation, an HSA committee exists just for MHR Dads!

The committee is here to:

- Assist at MHR School events and committees that need your help.
- Increase involvement from dads who haven't had the opportunity or information on how to get involved.
- Set a positive parental example for our children.
- Plan father and children events.
- Meet other MHR School dads.

The whole idea is to make it easier for dads to participate in the many events and activities at MHR school, which ultimately helps our kids in so many ways. **Volunteer service hours are available for approved Dads' Committee projects at the school.**

*Neil Heston at 968-5801 or [nemmheston@verizon.net](mailto:nemmheston@verizon.net)*

**We are always looking for more Dads to join our efforts! So, please join us and encourage other dads to join us, as well. Let's continue to make MHR School great for our children!**
