

1st Grade Summer Math Assignment

This assignment is for students who will enter the first grade in August. Print and return the completed assignments on the first day of school.

1. Draw a square, circle, rectangle and triangle.

2. Write the numbers 1-20.

3. Write the numbers 1-10 backwards, starting from 10.

4. Please go to the following link:

<http://www.sadlier-oxford.com/math/>

Select under Student: Grade 1

Select under Practice: Skills Update

Download and complete all the pages of the Practice sheets (there are about a dozen, but the number may change a bit from time to time as the site is updated).

Bring in the pages on the first day of school.
