

*Hope you are having an awesome summer!*

You will find the Math practice pages for the incoming Third Grade students on the link below. You will see 21 skills practice pages with lesson information if you need some extra help.

1.) Click on this link:

[http://www.sadlier-oxford.com/math/mc\\_skillsupdate.cfm?grade=3&sp=student&tp=skillsupdate](http://www.sadlier-oxford.com/math/mc_skillsupdate.cfm?grade=3&sp=student&tp=skillsupdate)

2.) Click on the Sadlier Math Skills Update practice pages your child needs to complete.

3.) Please send the booklet back with your child to school on the “first day” of Third Grade in August.

4.) Complete **carefully and neatly** the following pages:

Count by 2s, 5s, 10s  
Money Less than \$1.00  
Addition Facts Through 18  
Subtraction Facts Through 18  
Patterns  
Fractions: Parts of a Whole  
Hour, Half Hour  
Read a Bar Graph

OR

Let your child do ALL 21 practice pages. It would be Great Practice!

5.) Staple the papers together, and have your child write neatly his/her name on the booklet, so he/she can get credit for all that hard work!

6.) Please have your child practice weekly his/her ***Addition*** facts, ***Subtraction*** facts, and ***Multiplication*** facts (1-5) using flashcards or CDs. Some children do well learning their tables by listening to CDs. You can find the CDs at Walmart or on-line.

Have Fun!
